Debt-Anon is for relatives, friends, and associates of compulsive debtors – anyone who has been affected by another person's compulsive debting.

- ◊ **Debt-Anon is a fellowship of people who share their experience, strength and hope with each other so that they may solve their common problems and help others to recover from the effects of compulsive debting.**
- ◊ **The only requirement for membership is that there be a problem of compulsive debting in a relative or friend. There are no dues or fees for Debt-Anon membership; we are self-supporting through our own contributions.**
- ◊ **Debt-Anon is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.**
- ◊ **Our primary purpose is to recover from the effects upon us of another person's compulsive debting, and to help families and friends of compulsive debtors.**
